AUDIENCE EXTENSION

Information: With Audience Extension, Informa users are located on the "open" web (outside Informa) through display banners. To create these banners, you will need at least two images in the dimensions specified below and a destination URL. Before you launch your Audience Extension campaign, be sure to read through the information below and contact us with any questions.

Accepted file formats: JPG, GIF, or HTML5

File size: 200KB max initial file load (refer to IAB specs)

Most popular ad sizes: We recommend that campaigns are launched with, at minimum, the four ad sizes listed below:

- Medium rectangle: 300x250
- Leaderboard: 728x90
- Wide skyscraper: 160x600
- Large Rectangle: 300x600

(Audience Extension specifications and additional ad sizes continues on next page)

WEBSITE & MOBILE

► AviationWeek.com (includes ATWOnline.com, MRO-Network.com, and SpeedNews.com)

Additional Ad Sizes:

- Mobile leaderboard: 320x50, 300x50*
- Banner: 468x60
- Rectangles: 336x280, 180x150
- Skyscraper: 120x600
- Billboards: 970x90, 970x250

Note: Additional mobile sizes as well as IAB Rising Star units may be available. Please inquire if interested.

Additional Requirements:

Animation: Animated ads are restricted to a maximum of 15 seconds (at a 15-20 fps frame rate), after which point automated animations must come to a complete stop. You are permitted to give the viewer the option to restart animation.

Border: Any ads featuring a white or black background are required to have a 1 px border of a distinguishing color around the perimeter of the ad in order to separate it from page content.

Expansion: Due to the variability of the ad serving environment, expandable ads are NOT supported at this time.

Destination URL:

- Web banners are not permitted to use redirecting URLs. Track campaign analytics with UTM tracking codes instead.
- Banners cannot link directly to third-party vendors, unless linking to a ticket distributor for an event.
- Banners cannot link directly into a payment processor (e.g., PayPal). Visitors must be able to review terms of the offer prior to entering purchasing/sign-up flows.

Branding: To prevent fraud, ad content and branding must include or carry the logo that matches the page where the user is being directed upon click. Ads that do not adhere to this spec will be rejected when the campaign is loaded.

3rd Party Tags: All 3rd Party tags and accompanying technologies being served by tags must be SSL Compliant (HTTPS).

Additional Information:

- **Informa Tracking Policy:** Informa Media does not allow the inclusion of advertiser tracking pixels.
- **Informa Systems:** Informa utilizes Google Ad Manager (GAM) for most ad serving.

Proof of delivery reports to clients are generated and distributed by Digital Advertising Solutions Group associates using metrics from Informa ad servers and email systems. Reports are for the invoiced period and provided the first week following the month of delivery.

HTML5

Informa continues to support HTML5 advertising on Informa sites. Ads created in HTML5 offer the benefit of working across devices and platforms.

Advertisers are asked to submit their advertising tags or code via Informa's ad portal: <https://informa.sendmyad.com>

- File Size for HTML5 creative is increased to 200KB for Max Initial File Load
- HTML5 ads can be submitted as:
 1. 3rd party tag
 2. DoubleClick Studio creatives directly pushed to our DFP network from DC Studio
 3. DoubleClick Campaign Manager tag (DCM InRed)
 4. Compressed (ZIPPED) file with all assets included in the zip file
- Advertiser or Creative agency will be asked to provide information on click macro implementation. Also, advertiser or agency must host all files referenced in HTML5 ad.
- Static backup image file required (JPG, GIF, PNG). Any browsers incapable of displaying HTML5 will show the backup image.
- All HTML5 code must adhere to the ad guidelines and specifications for its respective ad unit.
- HTML5 code must be submitted in accordance to the ad unit's submission lead time for proper testing and any necessary revisions.
- All 3rd Party tags and accompanying technologies being served by tags must be SSL Compliant (HTTPS).
- Informa's ad server is Google Ad Manager (GAM) (Premium).

As broad adoption is still limited, HTML5-specific ad specifications have not been finalized by the IAB. As such, Informa HTML5 specs may be updated in the future.

Additional Information:

- Informa can provide digital ad production assistance, if needed. Additional costs may be associated.
- Landing pages from mobile advertising should be mobile web optimized
- When developing an ad creative for a mobile handheld device it is important to think about where the ad unit will be delivered and optimize all assets and coding to produce the smallest total ad unit size possible to ensure a positive user experience.

Proof of delivery reports to clients are generated and distributed by Digital Advertising Solutions Group associates using metrics from Informa ad servers and email systems. Reports are for the invoiced period and provided the first week following the month of delivery.

General Terms & Conditions

- a. All contents of advertisements are subject to the Publisher's approval. The Publisher reserves the right to reject or cancel any advertisement, insertion order, space reservation, or position commitment (collectively, an "advertisement") at any time, if for any reason the Publisher deems it to be unacceptable. As used in these General Terms and Conditions, the term "advertiser" includes any advertiser's advertising agency, if there is one.
- b. All advertisements must be clearly identifiable as such with a trademark or signature of the advertiser. If in Publisher's judgment any advertisement creates the illusion of editorial matter, Publisher reserves the right to decline such advertisement and/or to place the word "Advertisement" in it.
- c. It is the advertiser's responsibility to ensure that all inserts and other advertising comply with U.S. postal regulations and other applicable Federal and State laws and regulations.
- d. Positioning of advertisements is at the Publisher's discretion, except when the advertiser requests a guaranteed advertisement placement, to which premium charges may apply.
- e. The advertiser and its agency, if there is one, each acknowledge that it is fully authorized and/or licensed to publish and assumes all liability for the entire contents of its advertisements, including without limitation: text; testimonials; representations; illustrations; maps; labels; trademark and other copyrighted or proprietary matter; and the use of the name or likeness of persons, living or dead. The agency and the advertiser, jointly and severally, will indemnify and save harmless the Publisher against all loss, liability, damage and expenses of any nature (including reasonable attorney's fees) resulting from any actions, claims or suits ("claims") resulting from advertising purchased pursuant to this rate card, including, without limitation, claims for libel, violation of rights of privacy or publicity, infliction of emotional distress, unfair competition, or copyright, trademark or other proprietary rights infringement.
- f. Advertisements not received by Publisher's production department by the production materials closing date will not be entitled to the privilege of O.K. or revision by the advertiser.
- g. Cancellations or changes in orders may not be made by the advertiser after the closing date. Contracts may be cancelled by the advertiser or Publisher on written notice not less than (i) 30 days in advance of the closing date or (ii) for covers, 90 days in advance of the closing date.
- h. All insertion orders are accepted subject to the provisions of the current rate card. Conditions, including rates, are subject to change upon notice from the Publisher. Should a rate change be made, the advertiser may cancel space reserved at the time the change becomes effective without incurring short-rate charges, provided the contract rate has been earned up to the date of cancellation. Cancellation of space reservations for any other reason (in whole or part) by the advertiser will result in an adjustment of the rate (short-rate) based on the number and type of insertions placed to the cancellation date, to reflect actual space used at the earned frequency or volume rate, as of cancellation.
- i. Advertisers will be short rated, if within a 12-month (52-week) period from the date of the first insertion, they do not use the amount of space upon which their billings have been based. Advertisers will be rebated if, within a 12-month (52-week) period from the date of the first insertion, they have used sufficient space to earn a lower rate than that at which they have been billed.
- j. The Publisher will not be liable under any circumstance for any costs or damages (including consequential damages) resulting from either the failure to print any advertisement or the appearance of any errors in any advertisement as published. In such case, the advertiser's sole remedy will be the right to place a "make-good" advertisement.
- k. Failure to make any insertion order correspond in price or otherwise with the rate schedule shall be deemed a clerical error only; publication thereof shall be made and charged without further notice according to the terms of the rate schedule in force at the time.
- l. The Publisher or its sales agency shall have the right to hold the advertiser and/or its agency jointly and severally liable for such monies as are due and payable to the Publisher for published advertising.
- m. No conditions other than those set forth in this rate card shall be binding on the Publisher unless the Publisher specifically so agrees in writing, in advance. Specifically, the Publisher will not be bound by conditions or terms printed or appearing on order blanks or copy instructions submitted by or on behalf of the advertiser.
- n. The Publisher will not be liable for any delays affecting the timing or cancellation of any advertisement scheduled to be published in the event of an act of God, action by any governmental or quasi-governmental entity, fire flood, accidents, insurrection, act of terrorism or war, embargo, strikes (whether legal or illegal), labor or materials shortages, transportation interruption of any kind, work slowdown, or any other condition beyond the control of the Publisher affecting production or delivery in any manner.
- o. As used in this section entitled "General Terms and Conditions" the term "Publisher" shall refer to Aviation Week Network.
